This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.
+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.
+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.
+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

About Google Book Search

Google's mission is to organize the world's information and to make it universally accessible and useful. Google Book Search helps readers discover the world's books while helping authors and publishers reach new audiences. You can search through the full text of this book on the web at `http://books.google.com/`

TWENTY-SECOND ANNUAL REPORT

. . of the . .

WISCONSIN
BOARD OF PHARMACY.

AUGUST, 1903.

With a list of the Pharmacists of Wisconsin, together with the Pharmacy Laws and Court Decisions pertaining to Pharmacists.

MEMBERS OF THE BOARD.

H. C. SCHRANCK, MILWAUKEE, Term expires,	- -	1904
A. F. MENGES, MADISON, Term expires,	- - -	1905
D. A. TAYLOR, STEVENS POINT, Term expires,	- -	1906
H. G. RUENZEL, MILWAUKEE, Term expires,	- -	1907
H. A. PETERS, OCONOMOWOC, Term expires,	- -	1908

OFFICERS.

H. C. SCHRANCK, - - - - - - - -	President.
A. F. MENGES, - - - - -	Secretary and Treasurer.

Office of the Board of Pharmacy, Capitol Building, Madison, Wisconsin.

THE BOARD OF PHARMACY WAS ORGANIZED APRIL 13TH, 1882.

Time served by members.

Chas. R. Bechman,[3] ..... Fountain City
1888, 1889, 1890, 1891, 1892, 1893, 1894, 1895, 1896.

Adam Conrath ..... Milwaukee
1882, 1883, 1884, 1885, 1886, 1887, 1888, 1889, 1890.

Herman O. Frank ..... Milwaukee
1893, 1894, 1895, 1896, 1897, 1898.

E. B. Heimstreet ..... Janesville
1882, 1883, 1884, 1885, 1886, 1887, 1888, 1889, 1890, 1891, 1892, 1893, 1894, 1895, 1896, 1897, 1898, 1899, 1900, 1901.

A. H. Hollister ..... Madison
1882, 1883, 1884, 1885, 1886, 1887, 1888.

A. F. Menges ..... Madison
1895, 1896, 1897, 1898, 1899, 1900, 1901, 1902, 1903.

H. A. Peters ..... Oconomowoc
1903.

R. D. Pulford [2] ..... Mineral Point
1889, 1890, 1891, 1892, 1893.

Fred Robinson [1] ..... Kenosha
1882, 1883, 1884, 1885, 1886, 1887, 1888, 1889, 1890, 1891, 1892, 1893.

John Rosch ..... Menasha
1893, 1894.

Henry G. Reunzel ..... Milwaukee
1902, 1903.

Henry C. Schranck ..... Milwaukee
1891, 1892, 1893, 1894, 1895, 1896, 1897, 1898, 1899, 1900, 1901, 1902, 1903.

Thomas H. Spence ..... La Crosse
1882, 1883, 1884, 1885, 1886, 1887.

David A. Taylor ..... Stevens Point
1896, 1897, 1898, 1899, 1900, 1901, 1902, 1903.

H. G. Thompson ..... Marinette
1898, 1899, 1900, 1901, 1902.

---

[1] Died in 1893: John Rosch appointed to fill vacancy.
[2] Died in 1894: H. O. Frank appointed to fill vacancy.
[3] Resigned in 1896: H. C. Schranck appointed to fill vacancy.

State Board of Pharmacy, Wisconsin.

MADISON, Wis., Sept. 2d, 1903.

To His Excellency, ROBERT M. LA FOLLETTE, *Governor:*

Sir:—In compliance with section 1409*c*, chapter 56*a*, statutes of 1898, I have the honor to submit to you, and to the Wisconsin Pharmaceutical Association, the twenty-second annual report of the Wisconsin State Board of Pharmacy.

Very respectfully,

A. F. MENGES,
Secretary.

PROCEEDINGS OF THE BOARD OF PHARMACY.

MADISON, Wis., Sept. 2d, 1903.

The Board of Pharmacy have since the enactment of the Pharmacy Law in 1882 held their examinations in various cities of the state. At the April meeting of the Board a resolution was adopted that hereafter all the meetings should be held alternately at Madison and Milwaukee.

This change was deemed necessary on account of having incorporated with our examinations, in addition to the written and oral work, an examination in compounding and dispensing in a manner similar to that required of clerks in drug stores; we have, therefore, been able to determine just what the qualifications of the applicants were in practical every-day work.

In order to carry out this new plan of examination, we must necessarily have the advantages of laboratories where we would have all the facilities at our disposal. The Madison examinations are held at the State University, while those at Milwaukee are conducted in the laboratory of the Wisconsin Pharmacal Company. The new plan has proved to be very satisfactory up to the present time.

Six meetings for examinations have taken place during the past year.

One hundred and sixty-seven (167) applicants were examined for Registered Pharmacists, sixty-six (66) were passed and granted certificates; one hundred and seventeen (117) applicants were examined for Registered Assistant Pharmacists, seventy-

four (74) were passed and granted certificates, making a total of two hundred and eighty-four (284) examined, of which number one hundred and forty (140) were successful and one hundred and forty-four (144) were rejected.

Failure to pass the pharmacy examinations is due largely to lack of early education. Apprentices are taken into many of our pharmacies to learn the business who in many cases lack the preparation which is necessary to make capable and efficient pharmacists. Further, many of our pharmacists fail to give their apprentices such systematic instruction as to enable them to become capable pharmacists. A pharmacist should be extraordinarily skillful; he ought, therefore, to receive intelligent training while working in a pharmacy and should further supplement this training with a course of study in a school of pharmacy.

Our laws in relation to pharmacists have safeguarded the public. The general standard of the pharmacies has improved. We can trace very few serious errors to the druggist. It is therefore remarkable that with so large a responsibility resting upon his shoulders not a single case of loss of life can be recorded to the discredit of the druggists of our state for several years past.

We need some additional laws in reference to the restriction of the sale of narcotics, especially morphine and cocaine. The law ought to make the purchasing of these poisons by the general public more difficult. A prescription from a reputable physician should be required and in no case should the druggist be allowed to refill it without the consent of the physician.

At this time we have one thousand five hundred seventy (1,570) Registered Pharmacists and four hundred thirty-nine (439) Registered Assistant Pharmacists, who hold Wisconsin certificates. Two hundred fifty-one (251) are not now residents of this state, so that we actually have one thousand seven hundred fifty-eight (1,578) engaged in the practice of their profession in Wisconsin. We lost through death during the year thirteen pharmacists, and twenty-eight allowed their certificates to lapse.

PROSECUTIONS.

December 23, 1902. State of Wisconsin vs. Albert J. Jewell, Brodhead, Green county, Wis. Case tried in circuit court, Dane county. The defendant attempted to procure registration in Wisconsin through fraudulent statements. Case was settled by defendant paying forfeiture, $50 and costs.

February 17, 1903. State of Wisconsin vs. John H. Parden, New Richmond, St. Croix county, Wis. Case tried in justice court, St. Croix county. Defendant found guilty of selling drugs and poisons, having no registered pharmacist in charge of his store. Fined $50 and costs.

April 8, 1903. State of Wisconsin vs. Koerner Bros., Janesville, Rock county, Wis. Case tried in justice court, Rock county. Defendant left store in charge of assistant registered pharmacist. Fined $50 and costs.

April 30, 1903. State of Wisconsin vs. Dr. Wm. Hanover, Delavan, Walworth county, Wis. Case tried in justice court, Walworth county. Defendant failed to appear, judgment rendered for the board, $50 and costs. Defendant appealed case to circuit court; to be called in October term.

In addition to the above cases, there are two others still pending.

Governor La Follette has appointed Henry A. Peters of Oconomowoc to succeed H. G. Thompson of Marinette, as a member of the Board of Pharmacy, for a term of five years. Mr. Peters is a man of ripe experience, a graduate of the School of Pharmacy of the State University, and is a representative of the ranks of the drug clerks. It is an innovation upon our board as all previous members were proprietors of stores. He has entered upon his duties as an energetic worker and proves a valuable associate.

At the annual meeting of the Board of Pharmacy in April, H. C. Schranck was elected president, and A. F. Menges, secretary and treasurer. The salary of the secretary was fixed at $950 per annum.

It is with deep regret I announce the death of our former coworker, Herman O. Frank of Milwaukee. Mr. Frank's service covered a period of over five years. He was a useful member and served in all of his duties with great devotion.

At this time I wish to acknowledge the assistance of my associates and the support given me in the fulfillment of my duties.

Respectfully submitted,

A. F. MENGES,

Secretary.

FINANCIAL STATEMENT.

The following is a report of the receipts and expenditures for the past year:

Receipts.

Renewal fees	$1,742 00	
Examination fees	1,455 00	
Registration fees	80 00	
Certificates of standing	40 00	
Duplicate certificates	1 50	
Exchange	25	
Total receipts	$3,318 75	
Cash on hand August 16, 1902	1,196 46	
		$4,515 21

Expenditures.

Meetings	$1,117 07	
Secretary's salary	925 00	
Refunded (unsuccessful exam., etc.)	460 00	
Stationery	148 40	
Postage	122 18	
Prosecution and travel	90 92	
Board report, 1902	73 50	
Lettering certificates	25 80	
Office fixtures	44 54	
Exchange	3 00	
Miscellaneous	28 68	
Total expenses	$3,039 09	
Cash on hand, August 18, 1903	1,476 12	
		$4,515 21

The following is a sample set of questions given by the board in examination:

QUESTIONS.

1. *a*, What is a saturated solution? *b*, Supersaturated solution? *c*, How would you aid the solubility of gases in water? *d*, Define Efflorescence. *e*, Deliquescence, and give an example of each.
2. *a*, What are fluid extracts? *b*, What strength are they? *c*, Describe the process of preparation in detail. *d*, What is re-percolation?
3. *a*, Name the chief characteristics of the plants belonging to the natural order Umbelliferae. *b*, Name five official drugs belonging to this order, giving their botanical origin.
4. *a*, What is Lanoline? *b*, Give official Latin title. *c*, How prepared? *d*, Why is it preferred to lard in the preparation of some ointments?
5. Give official Latin titles and name the ingredients that enter into the following: *a*, Vallets Mass; *b*, Lugol's solution; *c*, Donovan's solution; *d*, Plummer's pills; *e*, Tully's powder.
6. Chemically what are the following, and from what are they obtained? Give dose of each in the metric system: *a*, Eserine; *b*, Pilocarpine; *c*, Picrotoxin.
7. *a*, Wnat are Infusions? *b*, Decoctions? *c*, What per cent. should they be? *d*, Name the official Infusions and Decoctions.
8. What will be the actual weight in the metric system of 16 fluid ounces of Ether—specific gravity .725? Show your work.
9. Give the official Latin title of the following: *a*, White Lead; *b*, Red Precipitate; *c*, Sal Soda; *d*, Turpeth Mineral; *e*, Litharge. *f*, In what official preparation is Litharge used?
10. Give test for: *a*, Sulphates; *b*, Chlorides; *c*, Nitrates; *d*, Oxalates; *e*, Iodides.
11. Show by equation the reaction between the following: *a*, Sodium Bicarbonate and Tartaric Acid; *b*, Mercuric Chloride and Potassium Iodide; *c*, Potassium Nitrate and Sulphuric Acid.
12. *a*, What is the difference between Physics and Chemistry? Define *b*, Organic Chemistry; *c*, Inorganic Chemistry; *d*, Molecular Weight; *e*, Atomic Weight.
13. *a*, What is the source of Iodine? *b*, Give official preparations and percentage strength of each. *c*, Medical properties.
14. *a*, Give the exact amount of C. P. Sulphuric Acid and Water you would use in preparing 16 ounces avoirdupois of Dilute Sulphuric Acid. *b*, How much Bichloride of Mercury would you use in preparing 8 fluid ounces of an aqueous solution 1 to 1000?

15. Solution of Hydrogen Peroxide. *a*, Give official title and how prepared. *b*, Percentage strength. *c*, Chemical formula and molecular weight. *d*, Uses.
16. Give official title, botanical origin, natural order of the following: *a*, Yellow Parilla; *b*, Cramp Root; *c*, Yellow Dock; *d*, Pink Root; *e*, Queens Root.
17. Give process of preparation, description, medical properties and dose of *a*, Terebene; *b*, Terpin Hydrate.
18. Define the following terms and give an official example of each: *a*, Annual; *b*, Biennial; *c*, Perennial; *d*, Rhizome; *e*, Stigma.
19. Define the following terms and give a drug as an example of each: *a*, Hypnotic; *b*, Anthelmintic; *c*, Escharotics; *d*, Epispastics; *e*, Refrigerants.
20. What would you give in a case of poisoning by *a*, Cocaine; *b*, Chloral; *c*, Atropine; *d*, Oxalic Acid; *e*, Alkalies.
21. *a*, In what form is Gold official? *b*, How prepared? *c*, Medical properties and dose.
22. *a*, Name the official Cinnamons by official title and state precisely from where the bark is taken. *b*, Natural order. *c*, Official preparations.
23. Syrup Iodide of Iron. *a*, How prepared? *b*, Is it a ferrous or ferric preparation? Give per cent. of active constituent. *c*, How would you test for free Iodine? *d*, Medical properties and dose.
24. Unguentum Hydrargyri Nitratis. *a*, Give common name. *b*, Per cent. of active constituent. *c*, How prepared?
25. Define the following terms and name an official product obtained by each process: *a*, Fractional distillation; *b*, Destructive distillation; *c*, Rectification. *d*, In what manner are volatile oils usually distilled?
26. *a*, What are Alkaloids? b, How are they usually obtained?
27. Translate the following into English: *a*, Coq. in S. Aq. *b*, T. i. d. p. c. *c*, P. r. n. *d*, Quotidie. *e*, Cochl. ampl.
28. *a*, Give official Latin name for artificial Oil of Wintergreen. *b*, How is it prepared? *c*, Name two official oils consisting almost entirely of this product.
29. *a*, Give official title, source and habitat of the drug from which Tannic Acid is principally obtained. *b*, How is Tannic Acid extracted? *c*, Official preparations of Tannin. *d*, How is it affected by ferric solutions? *e*, What product is formed by the action of Dilute Sulphuric Acid on Tannin?
30. Belladonna. *a*, Botanical origin, natural order and habitat. *b*, What parts of the plant are official and when should they be collected? *c*, Name two active constituents. *d*, Official preparations.

SAMPLES.

I. Blue Mass.

1. Identify the sample.
2. Give official Latin title.
3. Give two common names.
4. Name ingredients.
5. What percentage of Mercury does it contain?
6. What is most important in its preparation?
7. What physical test does the Pharmacopoeia require?
8. Medical properties.
9. Dose.
10. How is it pulverized?

II. Brown Mixture.

1. Identify the sample.
2. Give official Latin title.
3. Name ingredients.
4. How is it prepared?
5. What preparation of Licorice is used in this mixture?
6. Medical properties.
7. Dose for adult.
8. Dose for child two years old.
9. What are mixtures?
10. Name three official mixtures.

III. Compound Spirits Orange.

1. Identify the sample.
2. Give official Latin title.
3. Name ingredients.
4. What are Spirits, as the term is used here?
5. How is it prepared?
6. How should it be kept?
7. What are its medical properties?
8. Name the official preparation.
9. What other official preparation is similar?
10. Name two other official compound spirits.

IV. Carbonate Potash.

1. Identify the sample.
2. Give official Latin title.
3. Give common name.
4. What is its source?
5. How is it affected by the atmosphere?
6. How is it purified?
7. Give its chemical formula.
8. Give its molecular weight.
9. What is its solubility in water?
10. What official preparations does it enter?

V. Cascara.

1. Identify the sample.
2. Give official Latin title.
3. Name official part.
4. Natural order.
5. Where indigenous?
6. Constituents.
7. Medical properties.
8. Name official preparation.
9. Dose.
10. What other official drug is identical?

PRACTICAL EXAMINATION.

In addition to questions like those given above, the board also gives each applicant a practical examination in compounding, dispensing and pharmacopoeial tests and such oral questions as to thoroughly prove the fitness of the candidate for registration.

The Pharmacy Laws of Wisconsin.

As contained in the statutes of 1898, and acts amendatory thereof, down to and including the laws of 1903, together with the regulations of the State Board of Pharmacy, also a list of the prosecutions under the provisions of tne pharmacy laws of the state of Wisconsin.

(Chapter 56*a*, Statutes of 1898.)

STATE BOARD, TERMS AND VACANCIES. Section 1409*b*. The Board of Pharmacy of this state, as heretofore constituted, is continued, and the rules, regulations and by-laws thereof, so far as they are not inconsistent with the provisions of this chapter, shall continue in effect. Such board shall consist of five members who shall be resident pharmacists; they shall be appointed for a term of five years and until their successors are qualified; vacancies shall be filled for the unexpired term. The Wisconsin Pharmaceutical Association shall annually elect three pharmacists, whose election shall be certified to the Governor by the president and secretary of such association, from which number or from the persons previously so elected and certified the Governor shall fill any vacancy in the Board of Pharmacy, whether occurring by the expiration of a term or otherwise.

MEETINGS; OFFICERS; PROSECUTIONS; SECRETARY'S DUTIES. Section1409*c*. Said board shall hold an annual meeting in the month of March, the time and place to be designated by its president and secretary. Three members shall constitute a quorum. At such meeting the president, secretary and treasurer shall be elected for the term of one year and until their successors are qualified; the secretary and treasurer may or may not be members of the board. By-laws may be made by the board for its government and the regulation of the performance of its duties. Meetings of the board shall be held at least once in three months for the examination of applicants for registration as pharmacists and assistant pharmacists, and for the transaction of other business; thirty days' public notice of meetings held for such examinations shall be given in such manner as the by-laws provide. All applicants for registration, who make application in accordance with the by-laws of the board and the provisions of this chapter, shall

be examined, and if found competent shall be granted certificates. The board shall cause the prosecution of all persons violating any of the provisions of this chapter, report annually to the Governor and the Wisconsin Pharmaceutical Association upon the condition of pharmacy in this state, and give therein a record of its proceedings, the receipts and disbursements and the names of all persons registered as pharmacists or assistant pharmacists. The secretary shall keep a record of the proceedings of the board and a book in which he shall enter the names and the places of business of all persons registered under this chapter; such book shall be prima facie evidence as to who are registered pharmacists or registered assistant pharmacists. He shall receive a salary to be fixed by the board and be reimbursed the amount actually and necessarily expended for traveling and other expenses in the performance of his official duties, and shall give such bond as the board may from time to time require. The members of the board shall each receive five dollars for every day they are actually engaged in the performance of their duties and be reimbursed the sum of their actual expenses in attending meetings. All disbursements of whatever nature or for whatever purpose shall be made from the fees received by the board; no part thereof shall be paid out of the state treasury. The treasurer shall hold all moneys received in excess of the amount necessary to meet claims allowed as a fund from which to pay future expenses.

REGISTRATION AS PHARMACISTS. Section 1409*d*. (As amended by ch. 340, laws of 1901.) All persons now registered as pharmacists by such board may continue to practice their profession by complying with the provisions of this chapter. Certificates of registration as pharmacists shall be issued to such persons of twenty-one years of age or over as shall have had five years' practical experience in a drug store or drug stores, in which prescriptions of medical practitioners were compounded during that time and who shall pass a satisfactory examination under the Board of Pharmacy and comply with the provisions of this chapter; provided, that graduates of the several courses of the department of pharmacy of the university of this state and of other universities and colleges giving like courses shall be entitled to such certificates upon proof of two years' practical experience in such a drug store or stores, the passing of such examination and compliance with the other provisions of this chapter. Such certificates of registration shall also be issued to such persons of good moral character, as, previous to the enactment of chapter 167 of the laws of Wisconsin for 1882, shall have had ten years' experience as pharmacist in a drug store or drug stores in a village or city within the state of Wisconsin containing a population of over five hundred, in which drug store or drug stores prescriptions of medical practitioners were during that period put up and compounded. Proof of experience, graduation and character herein required shall be made to the satisfaction of the board. Every

registered pharmacist shall be entitled to continue the practice of his profession by annually, at such time as the Board of Pharmacy may determine, making application thereto for the renewal of his certificate and paying the fee hereinafter required; if he fails to procure a certificate of renewal for sixty days after the secretary of the board shall have given him second notice of the expiration of his registration, he shall cease to be such a pharmacist within the meaning of this chapter, and shall not become such until he shall be examined as provided in this section.

NOTE.—A Kentucky statute uses the words "graduate in pharmacy" in declaring who shall be entitled to be registered, and under it it has been ruled that a "pharmaceutical chemist" is such a graduate: State Board v. White, 84 Ky., 626.

Mandamus lies to compel the Board of Pharmacy to register a person who is entitled to be registered under the law, although the rules of the board may provide otherwise: Ibid.

REGISTRATION AS ASSISTANTS. Section 1409*e*. Certificates as assistant pharmacists shall be issued to such persons as shall be eighteen years of age or over and have had two years' practical experience in drug stores, in which the prescriptions of medical practitioners were compounded during such time, and as shall pass a satisfactory examination before said board and comply with the provisions of this chapter; the fact of such experience shall be shown to the satisfaction of the board. Every registered assistant pharmacist may continue to be such by annually, at such time as the Board of Pharmacy may determine, making application thereto for the renewal of his certificate and paying the prescribed fee; failure to obtain such renewal for sixty days after the secretary of such board shall have given a second notice of the expiration of his registration shall terminate the right of any person to be a registered assistant pharmacist within the meaning of this chapter, and such right can only be acquired by compliance with the provisions concerning original registration. The issuance of either of the certificates provided for in this chapter shall entitle the person to whom it is issued to be registered in the proper class.

FRAUD; VIOLATION OF LAW; FEES. Section 1409*f*. Any person who shall wilfully make a fraudulent statement or representation to procure registration for himself or any other person under the provisions of this chapter, or who shall violate any such provisions for which a specific penalty or forfeiture is not declared, shall for each and every such offense forfeit fifty dollars. Every person making application for registration shall, at the time thereof, pay five dollars, three dollars of which shall be refunded if such application is denied. Every person applying for the renewal of a certificate shall, at the time of making application, pay such fee as the board may have fixed, not exceeding two dollars. Every certificate of registration as a registered pharmacist or as a registered assistant pharmacist, and every renewal thereof in force shall be conspicuously exposed in the pharmacy in which

the person to whom it is granted is employed; failure or neglect to so expose the same shall subject such person to a forfeiture of ten dollars for each and every such failure or neglect.

SALE OF DRUGS, ETC., BY UNLICENSED PERSON. Section 1409*g*. (As amended by chap. 289, laws of 1899.) Any person who shall retail, compound or dispense or permit to be retailed, compounded or dispensed, drugs, medicines or poisons, except paris green put up in packages labeled "Paris Green, Poison," or institute or conduct any pharmacy, store or shop for retailing, compounding or dispensing drugs, medicines or poisons in any town, city or village having five hundred or more inhabitants, unless such person shall be a registered pharmacist or shall employ and place in charge of such pharmacy, store or shop a registered pharmacist, shall forfeit fifty dollars for each offense. Any person who shall retail, compound or dispense or permit to be retailed, compounded or dispensed drugs, medicines or poisons, except paris green put up in packages labeled "Paris Green, Poison," in his store or place of business in towns, cities or villages having less than five hundred inhabitants, or institute or conduct any pharmacy, store or shop for retailing, compounding or dispensing drugs, medicines or poisons in any town, city or village, having less than five hundred inhabitants, unless such person shall be a registered pharmacist or registered assistant pharmacist, or shall employ and place in charge of such pharmacy, store or shop a registered pharmacist or registered assistant pharmacist, shall forfeit fifty dollars for each offense; provided, that under the personal supervision of a registered pharmacist a registered assistant may compound or dispense prescriptions and vend drugs, medicines or poisons without incurring such forfeiture; and that nothing herein shall be construed to interfere with any practicing physician from dispensing his own medicines, or supplying his patients with such articles as may seem to him proper, nor interfere with the general sale of proprietary medicines, prepared and compounded within the state by physicians and registered pharmacists, if the same shall be sold in sealed packages on which shall be printed or stamped the name of the contents and the directions for using, together with the name of the physician or pharmacist by whom prepared and compounded, nor interfere with the general sale of proprietary medicines that have been prepared and compounded outside the state and brought into the state, nor with the sale of the usual domestic remedies, nor with the exclusively wholesale business of any dealer. The term "usual domestic remedies" is hereby construed to include alum, ammonia, borax, bay rum, castor oil, camphor spirits, camphor gum, copperas, glycerine, epsom salts, glauber salts, rochelle salts, fennel seed, indigo, magnesia, potash, senna leaves, sulphur, vaseline, insect powder, resin, turpentine, and blue vitriol. Poisonous drugs or medicines, such as rough on rats, carbolic acid, aconite, laudanum, paregoric, and spirits of nitre, may be sold by

general stores in sealed packages only, said packages to be properly labeled by a registered pharmacist of Wisconsin. The label shall have the name of a registered pharmacist thereon, and the words "Registered Pharmacist of Wisconsin, Certificate No. ——," with the proper directions for the use thereof. The sale of these articles put up by wholesale druggists or manufacturers, not registered pharmacists of Wisconsin, is not legal under this act.

NOTE.—*Validity.* That portion of this section which imposes a fee upon and requires all druggists to register, regardless of their competency or experience in their business, is within the police power of the legislature. It does not impose a tax on business nor deprive persons of property without due process of law; neither is the statute open to the objection that it delegates legislative power to the board created by it: State v. Heinemann, 80 Wis., 253.

Permit. "As always used, the word 'permit' includes the element of assent. When used in a statute to describe an action made penal it must be held to include that element, unless there be something in the context clearly indicating the contrary." Hence the owner of a drug store is not liable because a person in his employ, who is not qualified to do so, without his knowledge or assent sells drugs, etc.: State v. Robinson, 56 N. W. Rep., 594.

An English statute which provides that "any person who shall sell or keep open shop for the retailing, dispensing or compounding poisons . . . not being a duly registered chemist, or chemist and druggist, . . . or who shall fail to conform with any regulation as to the keeping or selling of poisons made in pursuance to this act . . . shall for every such offense be liable," etc., applies to a sale of poisons made by the assistant of a duly qualified chemist in the latter's shop in the regular course of business; and such assistant is liable for a sale so made by him in the absence of his master. Pharmaceutical Society v. Wheeldon, 24, Q. B. Div. 683, 42 Alb. L. J., 54. Court decision (see Rider).

Where a registered pharmacist is employed and placed in charge of a drug store, the place thereof becomes his place of business within a legislative act providing that "any registered pharmacist who shall permit the compounding and dispensing of prescriptions or vending of drugs, medicines or poisons in his store or place of business except under the supervision of a registered pharmacist or except by a registered assistant pharmacist shall for every such offense be liable to the penalty of fifty dollars;" and such pharmacist renders himself liable to the penalty when he instructs a boy to sell anything in the store except poisons leaving him to judge what are poisons. Haas v. People, 27 Ill. App., 416.

Under a Minnesota statute imposing a penalty on any one who shall permit the vending of drugs, medicines or poisons in his store except under the supervision of a registered pharmacist or by an assistant pharmacist, the owner of the drug store is not liable for a sale by one in his employ not a pharmacist or assistant, made without his knowledge or assent. State v. Robinson, 55 Minn., 169; 56 N. W., 594.

None but registered pharmacists can conduct a drug store or pharmacy: they must be the principals and managers of the store in *all its management;* neither can they allow any one not registered to sell poisons, or dispense physicians' prescriptions, except under their *direct* supervision.

(See supreme court decision, State vs. Heineman, 80 Wis., 253.)

If any unregistered person left in any drug store makes sales of drugs or poisons, even though he has been warned against so doing by the registered person in charge, the proprietor is responsible for such sales. Haas v. People, 27 Ill. App., 416.

ACTIONS, PROSECUTION OF. Section 1409*h*. Actions for the recovery of the forfeitures or penalties imposed by this chapter may

be instituted by any member of the Board of Pharmacy, and the members thereof are specially directed to institute actions for the violation of any of the provisions and also for the violation of the law regulating the sale of poisons. It is the duty of the district attorney of the county wherein any such violation may occur to prosecute the persons guilty thereof upon receiving notice from said board, any officer or agent thereof, or from any other source.

(Chapter 56*b*.)

DAIRY AND FOOD COMMISSIONER, HIS POWERS AND DUTIES; LEGAL ASSISTANCE. Section 1410*a*. It shall be the duty of the commissioner to enforce the laws regarding the production, manufacture and sale of dairy products, the adulteration of any article of food or drink or of any drug, and personally or by his assistants to inspect any milk, butter, cneese, lard, syrup, coffee, tea or other article of food or drink or drug made or offered for sale within this state which he may suspect or have reason to believe to be impure, unhealthful, adulterated or counterfeit, and to prosecute or cause to be prosecuted any person, firm or corporation engaged in the manufacture or sale of any adulterated or counterfeit article or articles of food or drink or drug in violation of the law. The district attorney of the county in which a violation of any such law has occurred shall, when called upon by the commissioner or either of his assistants to do so, give all the aid he can to secure the execution of the law and shall prosecute cases arising under the provisions of this chapter or other provisions of these statutes relating to the adulteration of food, drinks and drugs and their sale. Such commissioner shall have power to appoint, with the approval of the governor, special counsel to prosecute or assist in the prosecution of any case arising under the provisions of these statutes imposing a penalty for adulterating dairy products or practicing deception or fraud in the manufacture or sale thereof. All fines collected in prosecutions begun or caused to be begun by the dairy and food commissioner or either of his assistants shall be paid into the state treasury.

ACCESS TO BUILDINGS; SAMPLES OF FOOD, DRUGS, ETC. Section 1410*b*. The commissioner, his agent or assistant shall have free access to any barn or stable where any cow is kept or milked, or to any factory, building, dairy or premises where any dairy product is manufactured, handled or stored, when the milk from such such measures as are necessary to secure perfect cleanliness in cow or such product is to be sold or shipped, and may enforce and around the same and of any utensil used therein, and to prevent the sale of milk from cows diseased or fed upon unwholesome food. Either of them may enter any place or building in which there is reason to believe that any food, drink or drug is made, prepared, sold or offered for sale, and may open any pack-

age or receptacle of any kind containing, or which is supposed to contain, any article of food, drink or drug, and examine or analyze the contents thereof. Any such article or sample thereof may be seized or taken for the purpose of having it analyzed; but if the person from whom it is taken shall so request at the time of taking, the officer shall then and in the presence of such person securely seal up two samples of such article, one of which shall be for analysis under the direction of the commissioner, the other shall be delivered to the person from whom the sample or article was obtained. * * *

SUBMISSION OF ARTICLES FOR ANALYSIS; EVIDENCE. Section 1410*c*. The State Board of Health, medical officers of local boards of health, town and village boards or common councils may submit to the dairy and food commissioner samples of water or other drinks, of food or drugs for analysis, and the same shall be examined and reports made of the analysis thereof to the body or officer submitting the same as soon as practicable; such reports shall fully specify the results of the analysis and be signed by such commissioner; they shall be accepted in all courts and places as prima facie evidence of the properties and condition of the articles analyzed.

(Chapter 57.)

SALE OF POISON. Section 1419. No person shall sell at retail or give away any poison commonly recognized as such, except paris green put up in packages and labeled "Paris Green, Poison," and especially aconite, arsenic, and its preparations, belladonna, biniodide of mercury, carbolic acid, chloral hydrate, chloroform, conium, corrosive sublimate, creosote, croton oil, cyanide of potassium, digitalis, hydrocyanic acid, morphine, nux vomica, oil of savin, oil of tansy, oil of bitter almonds, oil of cloves, ovalic (oxalic) acid, opium and preparations of opium, phosphorous, sulphuric ether, strychnine, sugar of lead, sulphate of zinc, white precipitate, red precipitate or any mixture containing enough of any of said poisons, or any combination of them sufficient to kill a person taking the same, without affixing to the box, bottle, vessel or package containing the same, and to the wrapper or cover thereof, a label bearing the word "poison" distinctly shown, together with the name and place of business of the seller. And any person who shall sell or retail any such poison shall keep in his place of business a book, in which shall be entered an accurate record of the sale of all poisons: such record shall contain the amount purchased, the date, for what purpose purchased, and the buyer's name and address, and shall be during ordinary business hours subject to the inspection of the district attorney of the county in which such store is located or of any authorized agent of the State Board of Pharmacy. Any person failing or neglecting to comply with any of the provisions of this section

shall forfeit for each such violation not less than five dollars nor more than fifty dollars.

NOTE.—*Marking "poison".* The druggist who sold the medicine warned the purchaser that it was a strong poison and that he should only take ten or twelve drops for a dose. No label was put upon the bottle. Death resulted from taking ten or twelve times as much as the druggist said would be a dose. Conceding that by omitting to label the bottle the defendant was guilty of a misdemeanor, he was not answerable to the representatives of the deceased for either a negligent or wrongful act when toward him he was guilty of neither, since he fairly and fully warned him of all and more than could have been made known on the authorized label. Wohlfuhrt v. Beckert, 92 N. Y., 490.

Sale by agent. In a common-law action to recover damages caused by the non-observance of this statute, such non-observance is conclusive evidence of negligence. The doctrine of agency applies, and the master is civilly liable for the negligence of his servant, committed in the course of his employment. Osborne v. MacMasters, 40 Minn., 103. (See Rider.)

Under a Minnesota statute forbidding the sale of poison without labeling it "poison", the druggist is liable for damages for the death of the person who purchased from the druggist's clerk the poison which was unlabeled and partook of the poison in ignorance of its deadly qualities. Osborne v. MacMasters, 40 Minn., 103; 41 N. W., 453.

PRESCRIPTIONS, HOW WRITTEN. Section 1420. No practicing physician or surgeon shall write or cause to be written any prescription or receipt in any characters, figures or cipher other than in the English or Latin language, generally in use among medical practitioners; and for every violation hereof the offender shall forfeit not less than five nor more than twenty-five dollars.

(Chapter 66.)

SALE OF INTOXICATING LIQUORS.

PHARMACIST'S PERMIT; FEE; CONDITIONS. Section 1548*a*. Every town and village board and every common council may, upon written application therefor, grant, to such registered pharmacists as they may deem proper, permits to sell, within their respective towns, villages or cities, strong, spirituous and ardent liquors in quantities less than one gallon for medicinal, mechanical or scientific purposes only, and not to be drank on the premises. The sum to be paid for such permit shall be ten dollars, and it shall be granted and issued in the manner and terminate at the same time as the license provided for in the preceding section (Sec. 1548); but it shall not be necessary for any such pharmacist to furnish the bond required by section 1549. If any such board or council shall refuse to grant any such permit, any registered pharmacist may, nevertheless, sell such liquors for medicinal purposes only on the written prescription, for each sale, of a practicing physician who is competent to testify in a professional capacity as provided in section 1436. It shall be the duty of every pharmacist to whom a permit is issued under the provisions of this section to keep a book in which he shall enter the

date, kind and quantity of every sale of any such liquor made by him, the name of the person to whom it was sold and the purpose for which the sale was made; such book shall at all times be open to the inspection of the board or council which granted the permit. Every such pharmacist shall on the third Tuesday of April in each year, file with the clerk of the town, village or city in which he does business a verified copy of all the entries in such book. Any person who shall make any false statement or representation to any registered pharmacist to whom a permit has been granted or to any of his clerks or employees for the purpose of inducing either of them to sell any liquor for use for any other than medicinal, mechanical or scientific purposes and shall thereby induce a sale thereof to be made in violation of law, or any such pharmacist who shall refuse or neglect to comply with any of the requirements of this section shall be punished by a fine of not less than forty nor more than one hundred dollars, besides the costs of suit, or by imprisonment in the county jail not less than thirty days nor more than ninety days.

NOTE.—*Vendor's good faith.* Under a statute which permitted druggists to sell liquors for medicinal, mechanical and sacramental purposes only, it has been ruled that "if the druggist acts in good faith in making the sale, he has the right to rely upon the statement made by the purchaser as to the purpose for which the liquor is to be applied; and he has a right to rely upon such statement explicitly unless circumstances or facts known to the druggist show such statement to be false, and are sufficient to satisfy him, acting in good faith and in an honest endeavor to obey the law, that the purpose is not such as is stated by the purchaser." People v. Hinchman, 75 Mich., 587.

Legislative power. The legislature may prohibit the sale of liquors by druggists in quantities less than one quart for medicinal purposes without a prescription. Commonwealth v. Fowler, 96 Ky., 166. See Gray v. Conn., 159 U. S., 74.

NOTE.—The pharmacist's permit for the sale of liquor can only be issued to registered pharmacists. In case a proprietor of a drug store is not registered, the permit must be made out in the name of the registered pharmacist clerk in charge of the drug store.

SELLING WITHOUT LICENSE. Section 1550. If any person shall vend, sell, deal or traffic in or, for the purpose of evading the law of this state, give away any spirituous, malt, ardent or intoxicating liquors or drinks in any quantity whatever without first having obtained a license or permit therefor as required by this chapter, he shall be deemed guilty of a misdemeanor and on conviction thereof shall be punished therefor by a fine not less than fifty nor more than one hundred dollars, besides the costs of the suit; or in lieu of such fine by imprisonment in the county jail of the proper county not to exceed six months nor less than three months; and in case of punishment by fine as above provided such person shall, unless the fine and costs be paid forthwith, be committed to the county jail of the proper county until such fine and costs are paid or until discharged by due course of law; in case of a second or any subsequent conviction of the same person during any year the punishment shall be by both such fine and imprisonment.

(Chapter 187.)

SALE OF ADULTERATED ARTICLES; DEFINITIONS. Section 4600. Any person who shall, by himself, his servant or agent, or as the servant or agent of any other person, sell, exchange, deliver or have in his possession with intent to sell, exchange, offer for sale or exchange, any drug or article of food which is adulterated, shall be fined not less than twenty-five dollars nor more than one hundred dollars, or be imprisoned in the county jail not less than thirty days nor more than four months. The term "drug," as used in this section, shall include all medicines for internal or external use, antiseptics, disinfectants and cosmetics. The term "food" as used herein, shall include all articles used for food or drink by man, whether simple, mixed or compound.

ADULTERATION, WHAT IS. Section 4601. An article shall be deemed to be adulterated within the meaning of the preceding section:

1. In the case of drugs: First, if when sold under or by a name recognized in the United States Pharmacopœia it differs from the standard of strength, quality or purity laid down in the latest current edition thereof; second, if when sold under or by a name not recognized in said pharmacopœia, but which is found in the pharmacopœia of some other country, the national formulary or other standard work on materia medica, it differs materially from the standard of strength, quality, or purity laid down in the latest current edition of such work; third, if its strength, quality or purity falls below the professed standard under which it is sold.

NOTE.—*Pharmacopœia.* The reference is to the edition in use when statute enacted: a higher standard required by a later edition will not render a sale unlawful. State v. Emery, 55 Ohio St., 364.

LABEL ON BAKING POWDER. Section 4601*b*. Any person who shall by himself, his servant or agent or by the servant or agent of any other person, make or manufacture baking powder or any mixture or compound intended for use as a baking powder, or sell, exchange or deliver, or have in his possession with the intent to sell or exchange, or expose or offer for sale or exchange such baking powder, or any mixture or compound intended for use as a baking powder, which contains alum in any form or shape, unless the presence of the same be distinctly shown by a label on the outside and face of which is printed with black ink in legible type, not smaller than brevier heavy Gothic caps, the name and residence of the manufacturer and the words: "This baking powder contains alum," shall be punished as provided in the preceding section (Sec. 4601*a*).

LABEL ON POISONOUS MEDICINE. Section 4601*c*. Any person who shall by himself, his servant or agent or as the servant or agent of any other person, sell, exchange, deliver, or have in his possession with intent to sell or exchange or expose or offer for

sale or exchange any medicine known as patent or proprietary, or of which the formula is kept secret by the manufacturer, which contains morphine, strychnine, cocaine or poisonous or narcotic alkaloid or drug in any quantities which the State Board of Health shall deem harmful to the life or health of the public, unless the presence of the same be distinctly shown by a label upon the bottle or package and upon the outer wrapper thereof, shall be punished as provided in section 4601*a*.

DISTRIBUTING SAMPLES. Section 4601*d*. (Amended by Chapter 335, Laws of 1901.) Any person who shall by himself, his servant or agent, or as the servant or agent of any other person, leave, throw or deposit or have in his possession with intent to leave, throw or deposit upon the doorstep or premises owned or occupied by another or who shall deliver to any child under the age of fifteen years, when not accompanied by an adult, any patent or proprietary medicine or any preparation, pill, tablet or drug that contains poison or other ingredients deleterious to health, as a sample or in any quantity whatever for the purpose of advertising or otherwise, shall be deemed guilty of a misdemeanor and be punished as provided in section 4061*a*.

PRESCRIPTIONS BY INTOXICATED PERSON. Section 4603. Any physician or other person, while in a state of intoxication, who shall prescribe any poison, drug or medicine to another person, shall be punished by imprisonment in the county jail not more than one year or by fine not exceeding five hundred dollars.

DEPOSISTING POISON. Section 4604. Any person who shall deposit any poison or poisonous substance upon the lands or in the building of another person, with intent to injure any person, shall be punished by imprisonment in the county jail not more than ninety days or by fine not exceeding fifty dollars.

OBSTRUCTING FOOD COMMISSIONER. Section 4607*h*. Any person who shall obstruct the dairy and food commissioner of this state or either of his assistants in the performance of their duty by refusing him entrance to any place he is authorized to enter or by refusing to deliver to him a sample of any article of food, drink or drug made, sold, offered or exposed for sale by the person to whom request therefor is made, if the value thereof is tendered, shall be punished for the first offense by fine not exceeding twenty-five dollars, and for each subsequent offense by fine not exceeding five hundred dollars nor less than fifty dollars.

TOBACCO.

SALE OF TOBACCO TO MINORS. Section 4608*e*. Any person who shall sell or give to any minor a cigar, cigarette or other tobacco in any form, after having been forbidden to do so by the parent or guardian of such minor, shall be punished by fine of not more than twenty-five dollars nor less than ten dollars.

SALE OF CIGARETTES TO MINORS. Section 4608*f*. Any person who shall sell, vend or in any way deal, traffic in or otherwise dispose of or give away any cigarettes or cigarette paper in any quantity whatsoever to or with a minor shall be punished by fine not less than five dollars or more than twenty-five dollars for each offense or by imprisonment in the county jail not less than five days or more than thirty days; and in case of a second or any subsequent conviction of the same persons the punishment shall be by fine of not less than twenty-five dollars or more than one hundred dollars or by imprisonment in the county jail not less than thirty days or more than three months.

LABEL ON VACCINE VIRUS, ETC. Section 4608*g*. Any person who or corporation which shall sell or gratuitously distribute any vaccine virus, therapeutical serum, modified toxins or similar products with the intention that they shall be used in the prophylaxis or treatment of contagious disease, without having his or its name stamped in plain English letters thereon or on the package or bottle containing the same, shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punished by a fine of not less than twenty-five dollars nor more than one hundred dollars.

ADULTERATION OF FLAXSEED OR LINSEED OIL.

(Chapter 234, Laws of 1899.)

PURE, STANDARD OF. Section 1. No person, firm, association or corporation shall manufacture for sale, offer or expose for sale in this state any flaxseed or linseed oil for other than food purposes, unless the same answers a chemical test for purity recognized in the United States Pnarmacopoeia, or any flaxseed or linseed oil, as "boiled linseed oil," unless the same shall have been put in its manufacture to a temperature of 225 degrees, Fahrenheit.

PACKAGE, CONTAINING OIL, TO BE STAMPED. Section 2. No person, firm, association or corporation shall at any time, personally or by clerk or agent, sell, expose or offer for sale, dispose of or attempt to dispose of any flaxseed or linseed oil unless so done under the true name of such oil, and unless each tank car, tank, barrel, keg, can or other vessel containing such oil has at such time distinctly and durably painted, stamped, stenciled or marked thereon in ordinary full-faced capital letters, not less than five line pica in size, the true name thereof in the words, "Pure linseed oil raw," or "Pure linseed oil boiled," as the fact may be, and also the name and address of the manufacturer or dispenser thereof.

ADULTERATION AND FALSE STAMPING. Section 3. No person, firm, association or corporation shall at any time, personally or by any clerk or agent, adulterate any "Pure linseed oil raw" or "Pure linseed oil boiled," by adding thereto any other oil or substance or thing whatever, for the purpose or with the intent to

sell, expose or offer for sale, such mixture or compound as the pure article, nor shall any person, firm, association or corporation, personally or by any clerk or agent, paint, stamp, stencil or mark any tank car, tank, barrel, keg, can or other vessel so as to falsely represent that it contains either "Pure linseed oil raw" or "Pure linseed oil boiled," nor so as to falsely represent the manufacturer thereof, nor permit or suffer any such false painting, stamping, stenciling or marking.

PENALTY FOR VIOLATION OF LAW. Section 4. Any person, firm, association or corporation who shall violate any of the provisions of this act shall be punished by a fine of not less than fifty dollars nor more than five hundred dollars, or by imprisonment in the county jail for not more than six months.

NARCOTICS.

(Chapter 231, Laws of 1901.)

PENALTY FOR ADMINISTERING. Section 1. If any person shall unlawfully and willfully administer to another any chloroform, laudanum, chloral or other stupefying and overpowering drug, narcotic or anaesthetic agent by placing, dropping or pouring the same, or causing the same to be placed, dropped or poured, or administer the same in any other manner or upon any food or drink intended or prepared for the use of any person, or into or upon any dish, glass or vessel into which any such food or drink is intended to be placed or poured or in any other manner or knowing the said drug, narcotic or anaesthetic agent to have been placed, dropped or poured into or upon any such food or drink, or into or upon any such dish, glass or vessel shall cause or allow or permit another to eat or drink the same with intent thereby to enable such offender or any other person to commit or with the intent to assist such offender or other person in committing any felony, every such offender shall be guilty of a felony, and being thereof convicted shall be sentenced to pay a fine not exceeding five thousand dollars or by imprisonment at hard labor in the state prison, not exceeding ten years.

GASOLINE.

(Chapter 466, Laws of 1901.)

SALE OF GASOLINE. Section 9. Every person dealing at retail in gasoline in this state shall after the first day of June, 1901, deliver the same to the purchaser only in barrels, casks, packages or cans painted vermillion red and having the word, "Gasoline," plainly stenciled thereon. No such dealer shall deliver kerosene in a barrel, cask, package or can painted or stenciled as above. Every person purchasing gasoline for use shall procure and keep the same only in barrels, casks, packages or cans painted and stenciled as above. No person keeping for use, or using kerosene shall put or keep the same in any barrel, cask, package or can painted or stenciled as above. Any

person violating any of the provisions of this section shall be punished by a fine of not less than five, nor more than fifty dollars, or by imprisonment in the county jail not to exceed three months, or by both such fine and imprisonment.

COURT DECISIONS.

CONSTITUTIONALITY.

The Wisconsin pharmacy law is constitutional. State v. Heineman, 30 Wis., 253.

POWER TO FIX FEES.

A Michigan statute regulating the practice of pharmacy allows the Board discretion to fix the fee for the required certificate for druggists not to exceed a named sum. *Held*, this does not give the Board power to fix fees arbitrarily and to discriminate between individuals. People v. Moorman, 96 Mich., 436; 49 N. W., 263.

CONDUCT OF BUSINESS.

A druggist is not liable to a physician in damages because he once or twice declines to fill the latter's prescriptions for reasons not impugning his capacity. Tarleton v. Lagarde, 46 La. Ann., 1368; 16 S., 180; 26 L. R. A., 325.

NEGLIGENCE.

A druggist injuring one in his store by the explosion of a mixture which he was compounding is liable if he failed to exercise the utmost care to avoid an injury where the mixture was such that a well educated druggist should reasonably suspect danger from explosion. Kerr v. Clason, 2 Ohio Dec., 666.

A druggist in good faith recommended a prescription of another person to the owner of a sick horse, who ordered him to put it up and paid him for it. *Held*, that the owner had no cause of action because his horse was injured by the use of the medicine which had been properly prepared according to the prescription. Ray v. Burbank, 61 Ga., 505; 34 Am. Rep., 103.

Where a druggist either by himself or by his servant who is not a registered pharmacist, sells extract of belladonna for extract of dandelion and an injury to the purchaser is thereby occasioned, the druggist is liable. Smith v. Hayes, 23 Ill. App., 244.

Where a wholesale druggist delivered to a retail druggist a package of tartaric acid labeled Rochelle salts and the retail druggist broke the package and sold part of the contents as

Rochelle salts. *Held*, the latter was liable for injury resulting to the vendee from taking the drug. Howes v. Rose, 13 Ind. App., 674, 42 N. E., 303.

Where a person goes with a prescription to an apothecary's and the apothecary makes a mistake in the drug he puts up and thus leads such person to believe that the jar from which it was taken contained the drug he called for and he proceeds to help himself to a dose of same from the jar, he thereby becomes a trespasser and the apothecary is liable for the injury resulting therefrom only in case he wantonly and wilfully permits or sanctions the act. Gwynn v. Duffield, 66 Ia., 708; 24 N. W., 523.

It is the duty of druggists to know the properties of the medicines which they vend and to employ such persons as are capable of discriminating and compounding according to the prescription, and if they depart from the prescription or ignorantly introduce other and poisonous drugs they are responsible for the consequences to the party injured; and cannot escape the responsibility by proof that they had been extraordinarily careful in general.

The rules in regard to the degree of diligence necessary to exempt the party from responsibility in certain cases do not apply to a case where a druggist is required to compound certain medicines and in doing so he run them through a mill in which he knew poisonous drugs had been ground and failed to cleanse it properly so as to prevent the evil. Fleet v. Hollenkemp, 52 Ky., 219.

One who sustains suffering or injury by taking a poison put up for him by an apothecary's clerk by mistake instead of the medicine prescribed (in this case croton oil instead of linseed oil) has a right of action against the apothecary. Hansford's Adm'x v. Payne, 74 Ky., 380.

Where a druggist leaves his business in charge of an employee and is absent from the state he is liable to one injured by a prescription erroneously compounded by his employee. McCubbin v. Hastings, 27 La. Ann., 713.

A druggist who by mistake sells sulphate of zinc for Epsom salts is liable for the damage done. Walton v. Booth, 34 La. Ann., 913.

Any druggist who by mistake and without fraud or fraudulent representation puts up and sells the wrong article which is in itself harmless is liable in tort for loss and injury arising from his carelessness and negligence only to his immediate vendee; especially if the vendee without notice to the vendor buys the article for a third person in order to be used by such person in combination with other substances which may make it dangerous to persons or property. Davidson v. Nichols, 93 Mass., 514.

Defendant, an apothecary, by his servant, negligently sold as and for tincture of rhubarb, a well known and harmless medicine. two and one-half onces of laudanum, a dangerous and deadly poison to one who procured it for the purpose of administering it and did administer one ounce of the medicine to his

servant, plaintiff's intestate, from the effects of which he died. *Held*, violation of duty on the part of the defendant, and that he was responsible in damages for the injury resulting therefrom to the testator without regard to the question of privity of contract between them. Norton v. Sewall, 106 Mass., 143; 8 Am. Rep., 298.

Plaintiff's intestate desiring to purchase a "black draught," asked the druggist for "black drops," which the druggist told him was poison, but finally put it up in a bottle labeled "Black Drops," but having nothing on it to indicate the dose or that the mixture was poison. *Held*, that it is for the jury to decide whether the druggist was guilty of negligence. Wohlfart v. Beckert, 27 Hun, 74; S. C., 92; N. Y., 490.

Proof that a druggist used strychnine in a prescription when a preparation of camphor was called for is sufficient to show negligence in the absence of a satisfactory explanation. Minner v. Scherpich, 5 N. Y. St. Rep., 851.

If the prescription of a physician is so illegibly written that a druggist, notwithstanding the exercise of ordinary care, makes such a mistake in mixing the ingredients as to cause or hasten the death of the patient who partook thereof, the druggist is not liable in damages. McClardy's Adm'r v. Chandler, 2 Wkly. Law Gaz., 1.

Druggists and their assistants in mixing dangerous chemical fluids and compounds should use not only ordinary but the utmost care to avoid injury to life or limb, and they should be possessed of that usual ordinary and reasonable skill possessed by well educated druggists. Kerr v. Clason, 2 Ohio Dec., 666.

The wife of G. being ill, expressed to her husband the desire to have a harmless medicine to whose use she was accustomed. G. called at the drug store of D. for the desired medicine. D's agent, without informing himself by whom or for what it was intended, carelessly put up, sold and delivered to G. a poisonous drug. G. supposing it to be what he had called for, took it home and gave it to his wife, who drank it in the belief that it was a harmless medicine and instantly died. *Held*, that D. was liable for damages to the administrator of the deceased wife for negligently causing her death. Davis v. Gaurnieri, 45 Ohio St., 470; 15 N. E., 350.

In an action against a druggist for negligently selling the plaintiff sulphuric acid for sulphuric ether where the petition alleges that the drug was delivered without labeling it "poison," as required by the statute, it was proper to instruct the jury that it would be negligence to sell such drug without the required label, without regard to whether plaintiff called for sulphuric acid or sulphuric ether, upon which point there was a conflict of evidence. Fisher v. Golladay, 38 Mo. App., 531.

Where a druggist is sued for mistake of his clerk in putting up a prescription, the plaintiff must show the clerk's want of due care and skill. Beckwith v. Oatman, 43 Hun, 265.

In an action for damages for negligently causing the death

of plaintiffs' child, the complaint alleged that plaintiffs' agent as customer of defendants, druggists, demanded quinine, but was by the defendant's clerk given morphine instead, and relying on the representation of said clerk that the drug was quinine, the plaintiffs administered the same to their daughter, from the effects of which she died. *Held*, that such complaint states a good cause of action. Brunswig v. White, 70 Texas, 504; 8 S. W., 85.

The fact that a person, in applying for a drug at a drug store, has no prescription therefor, does not excuse the druggist from responsibility for negligence or want of requisite skill in putting up and delivering such drug to such person. Brunswig v. White, 70 Texas, 504, 512.

Where the proprietor of a patent medicine places on the bottle containing it a label recommending it for certain diseases and directing the size of the dose to be taken, and it is shown that the dose contained such a quantity of a certain poison as to injure the plaintiff when he took it, the proprietor is liable for the damage, whether he sold the medicine to the plaintiff directly or to a druggist to be re-sold, from whom the plaintiff purchased it. Blood Balm Co. v. Cooper, 83 Ga., 457; 10 S. E., 118.

Apothecaries, druggists and all persons engaged in the manufacture, compounding or selling of drugs, poisons or medicines are required to be extraordinarily skillful and to use the highest degree of care known to practical men to prevent injury from the use of such articles and compounds. Peters v. Johnson, 41 S. E., 190; 50 W. Va., 644.

Where a merchant by mistake sells a poisonous drug to a person for a harmless medicine and it is taken for medicine by a third person without negligence, the seller is liable to the third person for the resulting damage, notwithstanding there is no privity of contract between them. Peters v. Johnson, 41 S. E., 190; 50 W. Va., 644.

The fact that a prescription clerk employed by a druggist is a competent pharmacist does not relieve the druggist from liability for the negligence of the clerk in putting up prescriptions. Burgess v. Simm's Drug Co., 86 N. W., 307; 54 L. R. A., 364.

The fact that the statute requires a pharmacist to be registered does not relieve a druggist, who employs a registered pharmacist as clerk, from liability for negligence of the latter in putting up prescriptions. Burgess v. Simm's Drug Co., supra.

Plaintiff in error, a druggist, sold an intoxicated man strychnine, and he also unlawfully neglected to put upon the package the label which the statute requires as a notice and warning of the contents of the package, and the purchaser while still intoxicated, administered to himself the strychnine from the effects of which he died. *Held*, that selling the poison to the intoxicated man and failure to place the proper label on the package, neither the one nor the other, nor both together, can be taken as the proximate cause of death. Ronker v. St. John, 21 Ohio Cir. Ct. R., 39; 11 O. C. D., 434.

Plaintiff's wife sent a girl fourteen years of age to the drug

store to purchase "ten cents' worth of morphine in doses." The druggist was not authorized to dispense such drug or sell the same in "doses," by reason of which the clerk disregarded that part of the order and handed to the girl two five-grain packets of morphine. The girl took the packets to the plaintiff's wife, who put the contents of one of them into a glass of water, when she was warned by the girl not to take all of the package, as she thought it was too much, but the wife replied that "she guessed the druggist knew what he was doing or ought to," and drank the potion from which she afterwards died. *Held*, that the plaintiff's wife in so taking morphine without knowing whether the quantity taken was a proper or fatal dose, was guilty of contributory negligence as a matter of law, and the druggist was not liable for her death. Fowler v. Randall, 43 S. W., 931.

LIQUOR.

Evidence that a tonic sold contained three and one-half to four ounces of alcohol and that it could be drank in such quantities as to make a person intoxicated is sufficient proof that it is intoxicating in a prosecution for violation of the "local option law." Johnson v. State, 66 S. W., 552.

A druggist may be convicted of maintaining a liquor nuisance though having a permit to sell liquors. State v. Engsborg, 66 Pac., 1007; 63 Kan., 653.

SELLING WITHOUT LICENSE.

An act, prohibiting all persons from compounding and dispensing medicines without having obtained a certificate, is violated by one who is part owner of a drug store and receives from the sales thereof a share of the profits, and who never has received a certificate, either as a registered manager or qualified assistant, though he does not himself put up prescriptions, or personally sell drugs. Commonwealth v. Zacharias, 5 Pa. Dist. R., 475.

In an action to recover a penalty for selling medicine without a license, where the sale was made by defendant's servant, evidence that the act was committed against the defendant's express directions, given in good faith, is admissible and sufficient to require a submission to the jury. Westchester Co. v. Dressner, 48 N. Y., 953; 23 App. Div., 25.

On prosecution for selling drugs without being a registered pharmacist, where the statute permits a sale of "domestic remedies," the question whether iodine and quinine are such remedies is for the jury. People v. Fisher, 83 Ohio App., 114.

Under the act permitting the sale of "domestic remedies" without being a registered pharmacist, a drug, though prepared by a skilled chemist and scientific apparatus, may come into such common use and be so well understood in its effects by people without medical knowledge as to make it a domestic remedy. *People v. Fisher, supra.*

Under a Missouri statute no proprietor or owner of a drug store who is not himself a registered pharmacist can lawfully conduct the business of druggist, unless he has in his employ such pharmacist; and if at the time of the offense charged against the defendant for violation of the "dram shop law" neither he nor his co-owner of the drug store nor his employee had filed his certificate as pharmacist as required by the statutes, he was guilty of conducting the business in violation of law. State v. Workman, 75 Mo. App., 454.

In a prosecution for carrying on business as a druggist without a license. *Held*, that the burden of justifying under or proving license is on the defendant. State v. Horner, 43 S. E., 89.

CRIMINAL PROSECUTIONS.

Where a pharmacist entitled to registration pays his fee, he is entitled to proceed in his business and cannot be held liable in criminal prosecutions because of the non-action of the Board of Pharmacy in issuing certificates. Carberry v. People, 39 Ill. App., 506.

RIGHT TO PRESCRIPTIONS.

Where the testimony shows that, though the persons depositing prescriptions with a druggist have a qualified right to use them if asserted, yet as to third persons the druggist was entitled to them. His transferee could recover their value in an action for conversion. Stuart Drug Co. v. Hirsch, 50 S. W., 583.

RIGHT OF PHYSICIAN TO SELL DRUGS.

A practicing physician cannot keep a drug store or sell or give drugs which he has not prescribed. State v. Moorman, 86 Mich., 433; Suffolk County v. Shaw, 21 App. Div. N. Y., 146; State v. Jones, 18 Oregon, 256; 22 Pac., 840.

WHO SHALL BE DEEMED SELLER.

The seller is the one who makes the physical transfer, and an unqualified assistant was held to be liable although he sold on behalf of his employer who was registered. The employer would also be liable for injury caused by such sale, notwithstanding conviction of the assistant. Pharm. Soc. v. Wheedon, L. R., 24 Q. B. Div., 683; 42 Alb. L. J., 54.

DELIVERY OF DANGEROUS ARTICLES TO CHILDREN.

The sale or delivery of dangerous articles to children too young to understand their dangerous nature and unfit to be intrusted with such substances, will usually render the person who delivers such article liable for any injury which may ensue from such negligent delivery.

In Carter v. Towne, 98 Mass., 567, a declaration averred that the defendant negligently sold and delivered gunpowder to the plaintiff, a boy eight years old, who was an unfit person to be intrusted with gunpowder and inexperienced in its use, all which the defendant well knew, and that the child in ignorance of its effects, and using that care of which he was capable, exploded the powder and was injured thereby. On demurrer this declaration was sustained as stating a sufficient cause for action, though a trial of the case resulted adversely to the plaintiff upon another point.

DEFINITION OF A DRUG STORE.

The appellate court of the state of Illinois has sustained the State Board of Pharmacy in the case against Yee Way, a Chinese laundryman, prosecuted for selling opium. In handing down the decision, the court held:

1. That opium is a drug and not an article of ordinary merchandise.
2. That any place where drugs and medicines are sold is a drug store within the law.

This decision is considered of great importance, the most important perhaps, that has yet been handed down by the supreme court in relation to druggists.

FINES.

All fines collected shall be paid to the treasurer of the county within which such forfeiture was incurred.

"The clear proceeds of all fines collected in the several counties, if not a breach of the penal laws," go to make up the state school fund and the interest of which is exclusively applied to the support and maintenance of the public schools. Section 2, Article X, Const. Wis.; State v. Casey, 5 Wis., 318; State v. Miles, 52 Wis., 488.

JURY DUTY.

Section 2520, Stats. 1898, provides that "one dispensing druggist in each prescription drug store," among other persons named, shall be exempt from serving as juror.

OFFICIAL RULES OF THE BOARD OF PHARMACY.

The following rules have been adopted in accordance with the authority vested in the Board in Section 1409*c*, pharmacy laws of Wisconsin.

RULE 1. All examinations for registered pharmacist and registered assistant pharmacist will be held in the cities of Madison and Milwaukee upon such dates as the Board may designate at the time of its annual meeting in March.

RULE 2. All applications for examination must be made upon blank forms which will be furnished by the secretary of the Board on request. Said applications must reach the secretary one week previous to the examination.

RULE 3. Applicants for registered pharmacist certificates must be twenty-one (21) years of age, of good moral character, able to speak, read and write the English language and possessed of sufficient general education. They must furnish proof of *five* years' experience, which must have been spent in drug stores where drugs, medicines and physicians' prescriptions have been compounded under the personal direction of a registered pharmacist; and they must pass such examinations as are prescribed by the Board.

RULE 4. Applicants for registered assistant pharmacist certificates must be eighteen (18) years of age. They must furnish proof of *two* years' experience, which must have been spent in drug stores. They must also possess the other qualifications provided in Rule 3.

RULE 5. Graduates of Schools of Pharmacy will not be registered without examination. *Actual* time spent in recognized schools of pharmacy will apply the same as in drug stores. In order to receive credit for said time, a statement of the standing of such student is required to the satisfaction of the Board.

For registered pharmacist certificates they must furnish proof of five years' experience, *two* years of which must have been spent in drug stores.

For registered assistant pharmacist certificates, two years' experience is required, *one* year of which must have been spent in drug stores.

RULE 6. Graduates of Schools of Medicine will not be registered without examination. In order to receive registration as pharmacists they must meet the requirement of Rule 3.

RULE 7. The Wisconsin Board of Pharmacy rescinded the rule which granted interchange of registration between states. Such applicants, desiring registration, must meet the requirements of Rule 3.

RULE 8. Applications for examination must be made out, giving some city, town, village or place in Wisconsin as residence. If the applicant at the time of the examination is not a resident of Wisconsin, the application can be made out from the city in which the examination is held.

RULE 9. In order to receive a registered pharmacist certificate, the applicant will be required to attain a marking of not less than sixty (60) per cent. in each of the branches in which he is examined, and a general average of seventy-five (75) per cent.

RULE 10. In order to receive a registered assistant pharmacist certificate, the applicant will be required to attain a marking of not less than forty-five (45) per cent. in each of the branches in which he is examined, and a general average of sixty (60) per cent.

RULE 11. If the applicant for registered pharmacist certificate does not attain a sufficient marking for said certificate, a registered assistant pharmacist certificate will be issued instead, upon request.

RULE 12. Applicants for examination must furnish sworn affidavits from past employers, covering period of experience.

RULE 13. The Board of Pharmacy has not the power to re-instate any person neglecting to pay the annual renewal fee as provided by law. Such person wishing re-registration must comply with the requirements as prescribed in Rule 3.

RULE 14. The fees for renewal shall be one dollar ($1.00) for registered pharmacist; fifty cents (50) for registered assistant pharmacist, and shall be due June 1st, each year.

For examinations the fees shall be five dollars ($5.00). In case of failure of the applicant to pass the examination, three dollars ($3.00) of the fee will be refunded.

RULE 15. A new certificate will be issued on surrender of the original. In case of loss of certificate through fire or otherwise, a sworn affidavit is demanded. In each case the payment of a fee of one dollar ($1.00) is required.

GENERAL INFORMATION.

ASSISTANT PHARMACIST.

The pharmacy law requires that every drug store in Wisconsin must be under the direct charge of a registered pharmacist of Wisconsin. "Any assistant pharmacist (of Wisconsin) shall have the right to act as clerk or salesman in a drug store or pharmacy during the temporary absence of the owner or manager."

TEMPORARY ABSENCE.

The Board of Pharmacy construes the words, *temporary absence*, to mean that the assistant pharmacist may have charge of the store only while the registered pharmacist is gone to his meals or any other like necessary duty requiring no more time than is generally so consumed (prolonged or unnecessary absence is not contemplated), and does not mean that the assistant pharmacist can take charge of the drug store or pharmacy for weeks at a time, the expressed intention of the pharmacy law being to keep every drug store or pharmacy under the immediate charge or supervision of a registered pharmacist during all times the drug store or pharmacy is open for business.

THE DUTIES OF APPRENTICES.

The Board of Pharmacy in construing the duties of an apprentice, interpret the pharmacy law to mean that they shall in no instance be permitted to act as assistant or registered pharmacist during the absence of the latter from the store or place of business, but may sell drugs or compound prescriptions under the direct *personal* supervision of a registered pharmacist, and at no other time.

That it is the spirit and intention of the pharmacy law to place more competent persons in line for subsequent registration, and it is calculated and intended only to offer the apprentice an opportunity to acquire the necessary and contemplated experience.

That the apprentice shall not be considered in any sense to be authorized under the law to exercise the duties and responsibilities of a registered pharmacist or assistant pharmacist under the law.

RELATING TO THE SALE OF HOMEOPATHIC MEDICINES.

The sale of homeopathic medicines properly comes under the regulations of the pharmacy law. The sale thereof of any quantities of arsenic, aconite, nux vomica, belladonna and other poisonous preparations, enumerated in Section 1419, Chapter 57, Statutes of 1898, should be sold as provided herein.

PARIS GREEN

May be sold by general dealers, if put up in packages and labeled "Paris Green—Poison," with the name of the firm or dealer putting it up, but it cannot be sold in bulk or weighed out in a general store.

DOMESTIC REMEDIES.

The attention of pharmacists and general dealers is called to the following: Section 1409*g*, pharmacy law (1) states what are domestic remedies and can be sold by general dealers. (2) What poisons can be sold by general dealers in sealed packages only and such packages must be put up by a registered pharmacist of Wisconsin. A wholesale dealer cannot put up these goods to be sold, and furthermore, *every general dealer who sells these goods must keep a poison register and register every sale of such goods*, the same as a pharmacist. Hereafter the sale of rough on rats must be registered. The term, "usual domestic remedies," is hereby construed to include alum, ammonia, borax, bay rum, castor oil, camphor spirits, camphor gum, copperas, glycerine, epsom salts, glauber salts, rochelle salts, fennel seed, indigo, magnesia, potash, senna leaves, sulphur, vaseline, insect powder, resin, turpentine and blue vitriol.

Poisonous drugs or medicines, such as rough on rats, carbolic acid, aconite, laudanum, paregoric and spirits of nitre may be sold by general stores in sealed packages only, said packages to be properly sealed and labeled by a registered pharmacist of Wisconsin. The label shall have the name of a registered pharmacist thereon, and the words, "Registered Pharmacist of Wisconsin, Certificate No. ——," with the proper directions for the use thereof.

The sale of these articles put up by wholesale druggists or manufacturers, not registered pharmacists of Wisconsin, is not legal under this act.

The words, "usual domestic remedies," in the pharmacy law, taken in connection with the proviso in the same section of the law for medicinal use, shows conclusively by the distinction made by the law between drugs and medicines for medicinal use and those for domestic use, making a special distinction between

domestic and medicinal, is clearly the intention of the law, and the Board so defines its provision.

Sales of poisons can only be made by a registered pharmacist and a registered assistant pharmacist under the direct supervision of the former.

PERMITS.

No permits are given by the Board as they have no power to grant permits of any kind.

CERTIFICATES.

Complaints are frequently made that a pharmacy is conducted without a registered pharmacist in charge, but that some pharmacist has his certificate displayed in said store.

Pharmacists will take notice of the fact that when a certificate is so displayed, it is evidence that they are in charge and in case of prosecution the action will be against them as well as the proprietor of the drug store.

RENEWALS

Are due June 1st, each year. Notice is sent one month before expiration. The fee is one dollar ($1.00) for registered pharmacist, and fifty cents (50c) for registered assistant pharmacist. Money is sent at the risk of the sender.

Any registered pharmacist or assistant pharmacist failing to pay his renewal within sixty days after notice shall have been sent him by the secretary, will lose his registration and cease to be a pharmacist.

LIST OF PROSECUTIONS UNDER THE PHARMACY LAW.

Communications relating to violations of the law should be sent to Secretary A. F. Menges, Madison, Wis.

1. March, 1885, Horicon, Dodge Co., case tried at Juneau. Defendant not a registered pharmacist and sold drugs and poisons. Fined $50 and costs.
2. November, 1885, Orfordville, Rock Co., municipal court, Janesville. Carried to circuit court and case settled, party selling out to registered pharmacist.
3. November, 1885, Albany, Green Co., tried in Monroe. Same as No. 1.
4. April, 1886, Oconomowoc, Waukesha Co. One of the defendants not registered and sold drugs and poisons in the absence of a registered man. Fined $50 and costs.
5. June, 1886, Eagle, Waukesha Co. Registered, but left store with no registered man in charge. Fined $50 and costs.
6. August, 1886, Alma, Buffalo Co. Same as No. 5.
7. August, 1886, Delavan, Walworth Co., tried at Elkhorn. Same as No. 5.
8. January, 1887, Deerfield, Dane Co., tried at Madison. Physician not registered, but sold drugs and poisons. Fined $50 and costs.
9. January, 1887, Janesville, Rock Co. Store in charge of unregistered person. Verdict for defendants on the ground that it was not proven that they had sold any poison. Appealed to circuit court where it was thrown out at spring term. Ground of complaint unconstitutional, being in the name of the people of the state.
10. January, 1887, Racine, Racine Co. Defendant appeared in court stating that he seldom left the store, and tried to obey the law. Defendant paying costs of suit, case dropped.
11. January, 1887, Eau Claire, Eau Claire Co. Same as No. 5.
12. September, 1887, Appleton, Outagamie Co. Defendant not registered and no registered man in charge of store. Jury trial at Appleton. Jury disagreed. New trial July 6, 1888; jury decided in favor of the state. Defendant appealed to circuit court, case tried before Judge Myers. Decision of lower court sustained. Defendant appealed to supreme court. November, 1891, the supreme court took up the case and declared the Wisconsin pharmacy law constitutional and the defendant paid the costs, in all amounting to something over eight hundred dollars.
13. January, 1888, Milwaukee, Milwaukee Co. Physician and druggist was registered, but would not pay renewal. Case dropped on defendant paying renewal and cost of suit.

14. April, 1888, Pittsville, Wood Co. Same as No. 5.
15. July, 1888, Chippewa Falls, Chippewa Co. Jury trial before Judge Hoyt. Defendant registered, but the store in charge of a young man not registered. Defense was that the boy had been instructed never to put up prescriptions or sell any poison, and did so contrary to orders. Verdict for state on ground that the fact of the boy being left alone in store gave him charge of same. Fined $50 and costs.
16. August, 1888, Albany, Green Co. Defendants grocers and sold Paris green contrary to law. Verdict for state.
17. September, 1888, Pittsville, Wood Co. Case was continued, during which time defendant presented proof to the Board that he had not wilfully violated the law. Secretary was directed to drop the case.
18. October, 1889, Stoughton, Dane Co. Case before Judge Keyes of Madison. Same as No. 5.
19. September, 1890, St. Croix Co. Case same as No. 16. Defendant fined $50 and costs.
20. October, 1890, at Hurley, Iron Co. Defendants both physicians, but had no registered person in charge of store. Municipal court, Ashland. Defendants fined $50 and costs.
21. January, 1891, Milwaukee, Milwaukee Co. Jury trial at Milwaukee. Dr. Williams claimed the stock was his, and not owned by the Peru Chemical Company, and they had no interest in the stock. Case ordered dropped.
22. February, 1891, Racine, Racine Co. Defendant was a physician and had no registered man in charge. Claimed stock did not belong to him; the clerk had been told never to sell poison. Fined $50 and costs.
23 April 25, 1891, Clinton, Rock Co. Municipal court, Janesville. Same as No. 5.
24. May, 1891, Kaukauna, Outagamie Co. Case tried in Appleton. Same as No. 5.
25. October 9, 1891, Tomah, Monroe Co. Case called in circuit court. District attorney had failed to file paper of appeal and case was dismissed.
26. December 15, 1891, Pittsville, Wood Co. Case called at Marshfield, but dropped, defendant paying costs.
27. January 2, 1892, Weyauwega, Waupaca Co. Same as No. 5.
28. October, 1892, Superior, Douglas Co. Same as No. 20.
29. March 1, 1893, Unity, Marathon Co. Case tried in Wausau. Same as No. 5.
30. May 27, 1893, West Superior, Douglas Co. Defendant not registered, but made sale of poisons in absence of registered pharmacist. Fined $50 and costs.
31. June 28, 1893, Iron River, Bayfield Co. Same as No. 30.
32. August, 1893, Iron River, Bayfield Co. Same as No. 30.
33. October, 1893, Milwaukee, Milwaukee Co. Proprietor registered, but ran a branch store with no registered person in charge. Tried at Milwaukee. Defendant fined $50 and costs.

71. January 14, 1898, Sheboygan Co. Defendant a physician, but left his store in charge of boys who sold poison. Defendant fined $50 and costs.
72. September 29, 1898, Milwaukee, Milwaukee Co. Case commenced against a hardware merchant who had a drug department. Pharmacist in charge registered in Missouri, but not in Wisconsin. Case called December 6; adjourned to December 19; December 19 again called and adjourned to January 26; January 26 again continued until January 30; January 30 again called and adjourned to March 15; March 15 case again called and the district attorney insisted that it must come to trial. Defendant called for a jury and the case was tried before Judge Ries, of Milwaukee, and the jury gave a verdict for the state. Defendant was fined $50 and costs.
73. November 14, 1898, Fond du Lac, Fond du Lac Co. Same as No. 5.
74. January 16, 1899, Milwaukee, Milwaukee Co. Defendant a clerk in store, not registered. Before Judge Ries. Verdict for the state, and defendant fined $50 and costs. Appeal taken to superior court. When case was called for trial, defendant did not appear.
75. February 14, 1899, Milwaukee, Milwaukee Co. Case called before Judge Ries, change of venue to Judge Pheatt and adjourned to February 23. February 23 case called and by request of defendant again adjourned to April 3. April 3 case called and adjourned to April 14. April 14 case tried before Judge Pheatt who gave a decision in favor of defendant. Appeal taken to superior court. When case was called for trial, defendant did not appear.
76. April 12, 1899, Stoddard, Vernon Co. Same as No. 59.
77. May 10, 1899, Hudson, St. Croix Co. Same as No. 5.
78. December 8, 1899, Marinette, Marinette Co. Defendant a registered pharmacist, but left store in charge of boys who sold bitter oil of almonds for sweet oil of almonds. Fined $50 and costs.
79. May 10, 1900, Packwaukee, Marquette Co. Messrs. Wilbur & Son, general store, sold Sol. of carbolic acid and Sol. of corrosive sublimate, put up in bottles by a wholesale house. Fined $50 and costs.
80. June 22, 1900, Abbotsford, Clark Co. Myers & Chase, general store, sold Sol. of carbolic acid and Hoffman Drops put up in bottles by wholesale house. Fined $50 and costs.
81. July 17, 1900, Colby, Marathon Co. Defendant was an assistant pharmacist, but purchased a drug store at Colby and took charge of same contrary to law. Fined $50 and costs, and store put in charge of licentiate pharmacist.
82. July 13, 1900, Milwaukee, Milwaukee Co. Same as No. 5.

83. July 7, 1900, Highland, Iowa Co. Case tried at Dodgeville. Defendant kept a drug store, but was not a pharmacist and kept no registered pharmacist in charge. After case had commenced, defendant presented a bill of sale of store and case was dropped.
84. 1900, Highland, Iowa Co. Case in court at Dodgeville. Defendant, a physician, who had purchased the store at Highland (see case No. 83), claimed to have a right, as a physician, to sell drugs, etc. Fined $50 and costs.
85. October 6, 1900, Oconto, Oconto Co. Same as No. 1.
86. November 14, 1900, Milwaukee, Milwaukee Co. Same as No. 1.
87. January 24, 1901, Reedsburg, Sauk Co. Same as No. 1.
88. March 22, 1901, Johnson Creek, Jefferson Co. Same as No. 1.
89. May 16, 1901, Mukwonago, Waukesha Co. Same as No. 1.
90. August 20, 1901. State of Wisconsin vs. W. Sellers, Wausaukee, Marinette Co. Case tried in justice court, Marinette, Wis. Defendant found guilty of selling drugs and poisons with no registered pharmacist in his store. Fined $50 and costs.
91. August 23, 1901. State of Wisconsin vs. D. W. John, Marinette, Marinette Co. Case tried in justice court, Marinette, Wis. Defendant found guilty of selling drugs and poisons with no registered pharmacist in his store. Fined $50 and costs.
92. September 27, 1901. State of Wisconsin vs. Hull & Weeden, Oshkosh, Winnebago Co. Case tried in municipal court, Oshkosh, Wis. Jury trial with verdict for defendants. (Complaint—Unregistered man sold poisons.)
93. December 12, 1901. State of Wisconsin vs. H. Rueckert, London, Jefferson, Co. Case tried in justice court, Jefferson, Wis. Defendant found guilty of selling drugs and poisons with no registered pharmacist in his store. As defendant had closed out his stock of drugs, the Board requested that no fine be imposed, defendant paying costs of suit.
94. April 29, 1902. State of Wisconsin vs. Lewis Sherman, Milwaukee, Milwaukee Co. Case tried in justice court, Milwaukee, Wis. Defendant conducted a homeopathic pharmacy, his business being that of a wholesaler or manufacturer; did not compound prescriptions. Case was dismissed upon defendant paying costs.
95. December 23, 1902. State of Wisconsin vs. Albert J. Jewell, Brodhead, Green Co. Case tried in circuit court, Dane Co. Defendant attempted to procure registration in Wisconsin through fraudulent statements. Case was settled by defendant paying forfeiture, $50 and costs.
96. Feb. 17, 1903. State of Wisconsin vs. John H. Parden, New Richmond, St. Croix Co. Case tried in justice court, St. Croix Co. Defendant found guilty of selling drugs and poisons, having no registered pharmacist in charge of his store. Fined $50 and costs.

97. April 8, 1903. State of Wisconsin vs. Koerner Bros., Janesville, Rock Co. Case tried in justice court, Rock Co. Defendant, a registered pharmacist, left store in entire charge of assistant registered pharmacist. Fined $50 and costs.

98. April 30, 1903. State of Wisconsin vs. Dr. Wm. Hanover, Delavan, Walworth Co. Case tried in justice court, Walworth Co. Defendant failed to appear, judgment rendered for the Board of Pharmacy; $50 and costs. Defendant appealed case to circuit court, to be tried in October term.

Total number of cases to date, 98. Number of cases decided in favor of the state, 78. Cases settled by the state, 15. Cases lost, 5.
